Over 60% of the UK population don't have a Will in place...

This means that your assets, such as your home, savings and other valuable possessions, may not necessarily pass to the people you want them to after you pass away.

The only way to ensure this doesn't happen is to write a Will

Lichfield Cathedral has partnered with Hatfield Daniels LLP, a regional specialist in Will writing and legal services. They are experts in writing Wills for families throughout the West Midlands, helping clients to protect their assets and pass them to the people that matter.

It is vital for you to write a Will... and we offer a FREE service

The experienced team at Hatfield Daniels LLP will meet you at your convenience to discuss and prepare a professionally drafted Will for you and your family.

A professionally written Will can cost up to £200 but this service is **completely free of charge**. All we ask is that you consider making a donation to Lichfield Cathedral or leave a legacy to support our work when you pass away.
